 (Approval/Action Roll Call Vote)
- XIV. Adjourn Meeting (Approval/Action)

Resolution for 403b Retirement Plan Amendment for Predecessor Employer Service

RESOLUTION OF THE UNM HOSPITALS BOARD OF TRUSTEES

THE UNM HOSPITALS 403(b) PLAN

WHEREAS, the UNM Hospitals Board of Trustees, hereinafter referred to as the "Board", maintains the UNM Hospitals 403(b) Plan, hereinafter referred to as the "Plan"; and

WHEREAS, Article XII of the Plan allows the Board to amend the plan from time to time; and

WHEREAS, in Section 1.29(B) of the Plan, the plan must credit Related Employer Service and also must credit certain Predecessor Employer/Predecessor Service under Section 1.66 (A)/(B).

NOW, THEREFORE, BE IT RESOLVED THAT: the Plan elects to credit as Service the following Predecessor Employer Service:

- Predecessor Employers
 - o Sandoval Regional Medical Center
 - o University of New Mexico Medical Group
- Service Credit
 - o Eligibility
 - o Vesting
- Time Period
 - o All service regardless of when rendered
- Service Crediting
 - Available for all employees who are transferred to the Plan as part of UNM
 Hospitals workforce initiatives. Employees who are impacted will be given credit
 for time worked at Sandoval Regional Medical Center or University of New
 Mexico Medical Group as outlined in section 12.b.1, Elective Service Crediting.

IN WITNESS WHEREOF, the Employer has adopted this Resolution to the Plan on thisday of, 2020, in Albuquerque, New Mexico.
By:
Secretary of the Board

CERTIFICATE

UNM Hospitals Board of Trustees

I,,	Secretary of the UNM Hospitals Board of Trustees,
do hereby certify that attached hereto is a tru	ne and correct copy of a resolution being adopted by
the Regents of the University of New Mexic	o, for its Operation Known as The UNM Hospitals
403(b) Plan. The resolution was adopted by	the UNM Hospitals Board of Trustees at a meeting
held in accordance with its bylaws. I further	certify that a quorum of the members of the UNM
Hospitals Board of Trustees was present at s	aid meeting and that said resolution has not been
altered, modified, or rescinded, and is now is	n full force and effect.
IN WITNESS WHEREOF, I have he	ereunto affixed my name thisday of
, 2020.	
	Secretary
SUBSCRIBED AND SWORN TO BEFORE	ME THIS day of, 2020.
	Notary Public
My Commission Expires:	
(Notary Seal)	

Disposition of Assets January 2020

Date: January 22, 2020

To: Bruce Cherrin

Chief Procurement Officer, UNM Purchasing Department

From: Bonnie White

Chief Financial Officer, UNM Hospitals

Subject: Property Disposition – January 2020

Attached for your review and submission to the Board of Regents is the Property Disposition Detail list for the month of January 2020.

Consistent with UNM Board of Regents Policy 7.9 Property Management and the Disposition of Surplus Property Act, 13-6-1, NMSA 1978, and based upon documentation submitted by the UNM Hospitals' departments responsible for the equipment, I certify that the equipment identified on the list is worn-out, unusable/unlocated or beyond useful life to the extent that the items are no longer economical or safe for continued use by UNM Hospitals. I recommend that the items be deleted from UNM Hospitals inventory and disposed of in accordance with the above noted Regents Policy and Surplus Property Act.

Property Disposition Request January 2020

#34 Consent Item Comprehensive Care

UNM Hospital Board of Trustees Recommendation to HSC Committee January 2020

Approval

Ownership

Comprehensive Care 31330 Schoolcraft Rd Livonia, MI 48150 **Officers Information:**

Chet Czaplicka, CEO & President

Source of Funds: UNM Hospital Operating Budget

Requested action: As required by Section 7 of the Board or Regents Policy Manual, consent item approval is requested. For the project described below, UNM Hospitals requests the following actions, with action requested upon requisite sequential approval and recommendation by any and all committees and bodies:

- Board of Trustee Finance Committee approval of and recommendations of approval to the UNMH Board of Trustees.
- UNMH Board of Trustees approval of and recommendation of approval to the UNM Board of Regents HSC Committee.
- UNM Board of Regents HSC Committee approval and recommendations of approval to the UNM Board of Regents.
- UNM Board of Regents approval.

Description: Request approval to amend the current contract with Comprehensive Care Services to extend the contract period for up to 3 years for Perfusion and ECMO services to our patients. The contract consists of providing two separate services; ECMO and Perfusion. ECMO (Extracorpeal Membrane Oxygenation) and is used to provide pulmonary and/or cardiac support for patients with significant cardiac or pulmonary failure that is unresponsive to conventional therapy. ECMO can be used for both adults and pediatrics. In these cases the ECMO device functions as or supports the functions of the heart and/or lungs. Patients with Hantavirus, cardiogenic shock, cardiac arrest, pulmonary embolism and Acute Respiratory Distress Syndrome are some of the typical patient populations needing this treatment. In calendar year 2019, 50 patients required ECMO services and consisted of 8,127 billed hours of services from Comprehensive Care Services. Our ECMO needs and services are growing and we predict at least 60 patients and upwards of 10,000 hours of service to be provided in calendar year 2020.

Perfusion is the process of delivering oxygenated blood to the tissues and organs of the body. During many cardiac surgeries it is necessary to temporarily suspend the function of the heart and lungs, requiring mechanical perfusion to the body. A perfusionist, is responsible for operating the cardiopulmonary bypass machine to maintain the patient's blood flow, as well as regulate the oxygen and carbon dioxide levels in the blood. In 2019, 86 patients were placed on

perfusion during cardiac surgery. In 2020, patients requiring perfusion are expected to increase to over 100.

Projected Annual Cost: \$2.5 Million

Projected Contract Cost: \$7.5 Million for an initial term of 3 years, may be extended annual upon mutual agreement by the parties

Process: Renegotiation with incumbent vendor

Termination Provision: Either party may terminate this agreement with 180 days written notice

Previous Contract(s): Incumbent vendor from first outsourcing RFP

Previous Term: 7 years

Previous Contract Amount: Total \$14,530,144.81, FY19 \$2,901,205.01

Impact on Operational Costs: Negotiations with the incumbent vendor were undertaken as part of the Operation Improvement Initiatives. The Hospital anticipates significant savings in the rates paid to the vendor. The program has grown over the past several years and continued growth is expected.

#36 Board of Regents Approval Letter (3126 New Hospital Tower 3170 New Parking Structure) rev 1

CAPITAL PROJECT APPROVAL UNM HOSPITALS – NEW HOSPITAL TOWER AND NEW PARKING STRUCTURE PROJECT COMMISSIONING SERVICES

JANUARY 24, 2020

RECOMMENDED ACTION:

As required by Section 7.12 of Board of Regents Policy Manual, the New Mexico Higher Education Department and the New Mexico State Board of Finance, capital project approval is requested for the UNM Hospital – New Hospital Tower and New Parking Structure project commissioning services. For the project described below, UNM Hospitals requests the following actions, with action requested only upon requisite sequential approval and recommendation by any and all committees and bodies:

- Board of Trustee Finance Committee approval of and recommendation of approval to the UNMH Board of Trustees.
- UNMH Board of Trustees approval of and recommendation of approval to the UNM Board of Regents HSC Committee.
- UNM Board of Regents HSC Committee approval and recommendation of approval to the UNM Board of Regents.
- UNM Board of Regents approval

PROJECT DESCRIPTION:

The independent Commissioning Authority (CxA) is charged with verifying major equipment and building components are operating as intended for the New Hospital Tower and the New Parking Structure.

RATIONALE:

Commissioning services are required to comply with LEED requirements and provides an independent confirmation that building components were installed, started up, and tested per the manufacturer's instructions. They also test the equipment in various scenarios to ensure backup systems and redundancies will operate as intended.

PURCHASING PROCESS:

Commissioning Services Agreement with WSP USA as related to the Hospital Tower Project, to include commissioning services for Pre-Construction Services, Garage, and Hospital Tower. Procurement Method: NMSA 13-1-129, Procurement Under Existing Contracts.

FUNDING:

Total project construction budget not to exceed at \$1,662,000 from the FY20 Capital Initiatives Budget.

Board of Trustees Meeting Minutes 11 22 2019 final Ifw

1

Agenda Item	Subject/Discussion	Action/Responsible Person
Voting Members Present	Mr. Terry Horn, Dr. Jennifer Phillips, Mr. Joseph Alarid, Dr. Tamra Mason, Mr. Erik Lujan, Dr. Raymond Loretto, Mrs. Christine Glidden, Mr. Nick Estes, and Mr. Del Archuleta	
Ex-Officio Members Present	Dr Paul Roth, Dr. Davin Quinn, Dr. Michael Richards, Mrs. Kate Becker, and Dr. Irene Agostini	
County Officials Present	Mr. Clay Campbell	
I. Call to Order	A quorum being established, Mr. Terry Horn, Chair, called the meeting to order at 9:06 AM	
II. Announcements	Mrs. Kate Becker, UNM Hospitals CEO, and Mr. Terry Horn, UNMH BOT Chair, thanked Dr. Raymond Loretto, DVM, for his service on the UNMH Board of Trustees and presented him with a plaque. Dr. Loretto's membership expires on January 1, 2020. Members of the Board of Trustees and Ex-Officio Members acknowledged appreciation to Dr. Loretto. Dr. Loretto expressed a few words of remembrance as a Member of the Board. Dr. Paul Roth presented Dr. Loretto with <i>The Daily Practice of Compassion</i> , a book which memorializes the history of the University of New Mexico School of Medicine, Its People, and Its Mission	
	Dr. Paul Roth discussed his announced retirement. President Garnett Stokes reported a national search will be conducted for Dr. Roth's replacement.	
III. Adoption of Agenda	Mr. Terry Horn, Chair, requested a motion to approve the Agenda.	Mr. Joseph Alarid made a motion to adopt the agenda. Dr. Tamra Mason seconded the motion. Motion passed with no objections.
IV. Consent Approval	Mrs. Bonnie White presented the below identified Consent Items as presented at the UNMH BOT Finance Committee. • 5ACC Clinic Renovations - \$2,000,000 (document included in BoardBook) • UH-Main Lands West Curb and Gutter Improvements - \$626,000 (document in BoardBook) Mr. Terry Horn, Chair, stated the UNMH BOT Finance Committee discussed/reviewed the two Consent Items in detail and recommend approval by the full Board of Trustees. Chair Horn requested a motion.	Dr. Raymond Loretto made a motion to approve the two Consent Items as presented and discussed by Mrs. Bonnie White. Mr. Nick Estes seconded the motion. Motion passed with no objections.
V. Public Input	N/A	
VI. Approval of Minutes	Mr. Terry Horn, Chair, requested a motion to approve the September 27, 2019 UNMH Board of Trustees Meeting Minutes.	Mr. Del Archuleta made a motion to approve the September 27, 2019 UNMH Board of Trustees Meeting Minutes. Dr. Raymond Loretto seconded the motion. Motion passed unanimously.

VII. Mission Moment	Mrs. Kori Beech, Chief Ambulatory Officer, introduced Mrs. Leslie Dent, Kidney Transplant Services, who presented the Mission Moment. This month's Mission Moment was an email to UNMH CEO, Kate Becker, thanking the UNM Transplant and Urology Department (presentation included in BoardBook).	
VIII. Board Initiatives	UNMH BOT Quality and Safety Committee Chair Nomination: Mr. Terry Horn, Chair, stated with Dr. Raymond Loretto's UNMH BOT term ending on January 1, 2020, he would like to nominate Mr. Erik Lujan as Chair of the UNMH BOT Quality and Safety Committee. Chair Horn requested a motion. Dr. Cheryl L. Willman, Director and CEO, UNM Comprehensive Cancer Center, presented The University of New Mexico Comprehensive Cancer Center – A National Cancer Institute Designated Comprehensive Cancer Center – The Official Cancer Center of the State of New Mexico (report in BoardBook) Retreat Planning: Mr. Terry Horn, Chair, reported that he has meet with Kate Becker and Eileen Sanchez regarding the upcoming Retreat, which will be a strategic retreat. Draft agenda included in BoardBook. Chair Horn requested Board Members review the draft agenda and send him comments. Mr. Horn also asked the UNMH BOT Committee Chairs to consider what would be beneficial/helpful. Topics will include, but are not limited to, where have we been – accomplishments for 2019, where are we now, and where are we going and why.	Mr. Nick Estes made a motion to approve the nomination of Mr. Erik Lujan as Chair of the UNM BOT Quality and Safety Committee. Mr. Joseph Alarid seconded the motion. Motion passed unanimously.
IX. Administrative Reports	Mrs. Chamiza Pacheco de Alas gave an overview of Legislative priorities and logistics. HSC Committee Update (report in BoardBook): Dr. Michael Richards reported inpatient discharges are up 1% compared to prior year (up 2% at UNMH / down 5% at SRMC). Health System adult length of stay (without obstetrics) is up 1% compared to prior year (up 2% at UNMH / down 14% at SRMC). Dr. Richards indicated that additional graphs will be incorporated into the financial reports for historical data. UNM Hospitals CEO Update (report in BoardBook): UNM Hospitals CMO Update: Dr. Agostini reported the team is working on multi-disciplinary rounds. Two new physicians arriving in February.	
X. Committee Reports	Dr. Raymond Loretto reported that Dr. David Pitcher gave a presentation to the UNMH BOT Quality and Safety Committee outlining importance of the roles and processes undertaken in order to acquire and obtain qualified people. The presentation was a good parameter of how we control/provide care and safety to our patients and an understanding of the significant role the committee plays.	

3

	Mr. Terry Horn gave a brief overview of the UNMH BOT Finance Committee Meeting. Chair Horn stated that Mr. Bonnie White presented financial training metrics and indicated if other Members are interested in the training that Mrs. White can provide. The committee also reviewed various insurance coverages, the Mercer project progress and vacancies.	
	Mr. Terry Horn stated the Audit and Compliance Committee received a presentation by KPMG of the audit findings.	
	Mr. Erik Lujan indicated the UNMH Native American Services Committee discussed the APCG Tribal Consultation Meeting on October 24 th . They were also given an update on the listening sessions and held a discussion of the Urban Native Americans that do not quality for insurance, conversation held on the homeless and anticipate more in-depth conversations in the future	
	Mrs. Christine Glidden stated the Community Engagement Committee postponed their October meeting.	
XI. Other Business	Mrs. Bonnie White presented the October financials (report in BoardBook)	
XII. Closed Session	At 11:43 AM Mr. Terry Horn, Chair, requested a motion to close the Open Session of the meeting and move into Closed Session.	Dr. Raymond Loretto made a motion to close the Open Session and move to the Closed Session. Mrs. Christine Glidden seconded the motion. Per Roll Call, the motion passed.
		Roll Call: Mr. Terry Horn – Yes Dr. Jennifer Phillips – Yes Mr. Joseph Alarid Yes Mrs. Christine Glidden – Yes Dr. Raymond Loretto – Yes Mr. Erik Lujan - Yes Dr. Tamra Mason – Yes Mr. Del Archuleta – Yes Mr. Nick Estes – Yes
X. Certification	After discussion and determination where appropriate, of limited personnel matters per Section 10-15-1.H (2); and discussion and determination, where appropriate of matters subject to the attorney-client privilege regarding pending or threatened litigation in which UNMH is or may become a participant, pursuant to Section 10-15-1.H (7); and discussion of matters involving strategic and long-range business plans or trade secrets of UNMH pursuant to Section 10-15-1.H (9), NMSA, the Board certified that no other items were discussed, nor were actions taken.	

UNM Hospitals Board of Trustees November 22, 2019 Barbara and Bill Richardson Pavilion 1500

Vote to Re-Open Meeting

At 11:53 AM Mr. Terry Horn, Chair, requested a roll call motion be made to close the Closed Session and return the meeting to the Open Session.

Mr. Nick Estes made a motion to close the Closed Session and return to the Open Session.

Dr. Raymond Loretto seconded the motion. Per Roll Call, the motion passed.

Roll Call:

Mr. Terry Horn - Yes

Dr. Jennifer Phillips – Yes

Mr. Joseph Alarid -- Yes

Mrs. Christine Glidden – Yes

Dr. Raymond Loretto – Yes

Mr. Erik Lujan - Yes

Dr. Tamra Mason - Yes

Mr. Del Archuleta – Yes

Mr. Nick Estes – Yes

Dr. Michael Chicarelli presented a Risk update (report in BoardBook)

Mrs. Kate Becker presented a Huron Update of the overall financial tracking, actual (to date) and projected detail (presentation in BoardBook)

Mr. Terry Horn, Chair, requested the Board accept receipt of the following as presented in the Closed Session to acknowledge, for the record, that those minutes were, in fact, presented to, reviewed, and accepted by the Board. In addition, for the Board to accept the recommendations of those Committees as set forth in the minutes of those committees meetings and to ratify the actions taken in Closed Session.

- ❖ UNMH Community Engagement Committee 10/11/19 Meeting Minutes
- ❖ Medical Executive Committee 10/16/19 Meeting Minutes
- ❖ UNMH BOT Quality and Safety Committee 09/20/19 and 11/18/19 Meeting Minutes
- ❖ UNMH BOT Finance Committee 09/25/19 Meeting Minutes
- ❖ UNMH BOT Native American Services Committee 09/25/19 and 10/23/19 Meeting Minutes

The Board of Trustees acknowledged receipt of the following Meeting Minutes:

- UNMH Community Engagement Committee 10/11/19 Meeting Minutes
- Medical Executive Committee 10/16/19 Meeting Minutes
- UNMH BOT Quality and Safety Committee 09/20/19 and 11/18/19 Meeting Minutes
- UNMH BOT Finance Committee 09/25/19 Meeting Minutes
- UNMH BOT Native American Services Committee 09/25/19 and 10/23/19 Meeting Minutes

5

	Mr. Terry Horn, Chair, requested a motion be made to approve the Credentialing and the Clinical Privileges as presented in Closed Session: Initial Appointments (Alonso-Marsden through Whippo)	Dr. Raymond Loretto made a motion to approve Initial Appointments (Alonso-Marsden through
	maa / ppomaro (no rec mercus) misugi (mpps)	Whippo) as presented in the Closed Session. Mr. Joseph Alarid seconded the motion. The motion passed unanimously.
	Initial Appointments per Discussion at the UNMH BOT Quality and Safety Committee (Khader-Eliyas and Lam)	Dr. Raymond Loretto made a motion to approve Initial Appointments per Discussion at the UNMH BOT Quality and Safety Committee (Khader-Eliyas and Lam) as presented in the Closed Session. Mr. Joseph Alarid seconded the motion. The motion passed unanimously.
	Reappointments (Acheson through Zhang)	Dr. Raymond Loretto made a motion to approve Reappointments (Acheson through Zhang) as presented in the Closed Session. Mr. Del Archuleta seconded the motion. The motion passed unanimously.
	Reappointments per Discussion at the UNMH BOT Quality and Safety Committee (Fields, Huffine, and Rustagi)	Dr. Raymond Loretto made a motion to approve Reappointments per Discussion at the UNMH BOT Quality and Safety Committee (Fields, Huffine, and Rustagi) as presented in the Closed Session. Mrs. Christine Glidden seconded the motion. The motion passed unanimously.
	Expansion of Privileges, Changes in Department, Change in Staff Status (Brown through Marsh), Level I FPPE (Birg through Wojtczak), and Level II FPPE (Brown and Marinaro)	Dr. Raymond Loretto made a motion to approve Expansion of Privileges, Changes in Department, Change in Staff Status (Brown through Marsh), Level I FPPE (Birg through Wojtczak), and Level II FPPE (Brown and Marinaro) as presented in the Closed Session. Our Mission Moment January 31 2020 Trauma Unit 3 South

Our Mission Moment:

Why We Are? The Best in Patient Care

 Brent Lomako, Executive Director Adult Inpatient Medical Progressive Care Services

Gratitude To Trauma Unit 3 South

- It is our pleasure to write to you to express our gratitude to your fine staff in Trauma Unit 3 South. On November 11, 2019, our 27 year old son had an unfortunate accident at work which ended with his foot getting stuck in an industrial shredder. He had to have about 1/3 of his left foot amputated. This is catastrophic for any person as you can imagine.
- To complicate this horrific accident, we were informed about it while we were in the ER at Presbyterian Hospital because my 91 year old mother had fallen and subsequently broke her hip. So, I am sitting in an ER room helping my mother get a catheter in whenI receive the phone call from a social worker at UNMH. I only relay this to you because that lat week has been beenone of the most trying times for me, my husband and our family. So off we run to UNMH.

The Moment

- We received extraordinary help and service from all of the staff on 3 South. From the lovely woman that cleaned his room every day to the helpful women that took his meal orders on the phone, to the techs that brought him his meals and took his vitals and changed his sheets, to the incredible nurses that day in and out, no matter how exhausted they were, continually did everything they could think of to help make our son, my husband and I as comfortable as possible.
- Every one of them, and their names are too many to list and remember, but without exception were as compassionate and helpful as possible. My husband and I took turns sleeping in his room. The staff made sure we were as comfortable as possible. This trauma unit is exceptional and I commend you and your leadership team for promoting this environment.

Special Thanks To The Team

• We want to thank each person with whom our son, my husband and I came in contact. We could not let this opportunity escape us and take the time to write to you.

UNMH Board Presentation-Philanthropic Feasibility Study Final Report - FINAL

UNM Hospitals Pre-Campaign, Philanthropic Feasibility Study Adult Hospital Tower

Anndee Wright Brown
Sr. Director of Development
UNM Hospitals
anndee.wrightbrown@unmfund.org

The Why

Because of the scope of the expansion of the adult hospital, UNMH and UNM Foundation engaged in a pre-campaign philanthropic feasibility and planning study with CCS Fundraising Consultants to test for capacity and readiness to engage in a major fundraising capital campaign.

The How

- Created Task Force
 - 15 members including
 - Hospital leadership
 - Physician leadership
 - UNM leadership
 - Current donors, community leaders & friends
- Interviews
 - o 77 interview invitations extended
 - Conducted 31 strategic conversations
 conducted 14 in person, 17 via phone

Key Findings

- Must improve case for philanthropic support
 - What will the new tower accomplish
 - How will donor gifts be used
- Lack of branding and messaging for UNMH
- Community lacks philanthropic knowledge and culture of giving pertaining to UNMH
- High response rate of support from task force members and interviewees and positive feedback on UNMH leadership
- Additional resources are necessary for a successful campaign

Suggested Timeline and Goals

Phase 1: 2020-2021 \$5 Million

secure a total of \$5Mil in private support

- 2020: a year of planning case development, organizing, recruitment, early fundraising
- 2021: a year of growth a focus on major gift efforts to reach \$5Mil

Phase 2: 2022-2024 \$15 Million

- focus on continued major gift efforts to secure an additional \$5Mil per year, over three years, for an additional \$15Mil
- Phase 1 must be successful to proceed with Phase 2

Campaign Priorities

- Develop and refine compelling case for support
- Enhanced philanthropic marketing and communication.
- Active engagement of UNM, UNMH and UNMH Foundation leadership
- Enhance untapped opportunities with volunteers, patients/families and corporate support
- Expand resources to support focused campaign efforts and ongoing philanthropy for the hospital major gift solicitations, community outreach and education, annual giving pipeline

Questions/Comments

Thank you.

IPCD_BoT_1.31.20_FINAL Dr Brett and Sharmin

Infection Prevention and Control at UNM Hospitals

Meghan Brett, MD
UNMH Hospital Epidemiologist

Shamima Sharmin, MBBS, MSc, MPH
Interim Manager, Infection Prevention and Control

Road Map

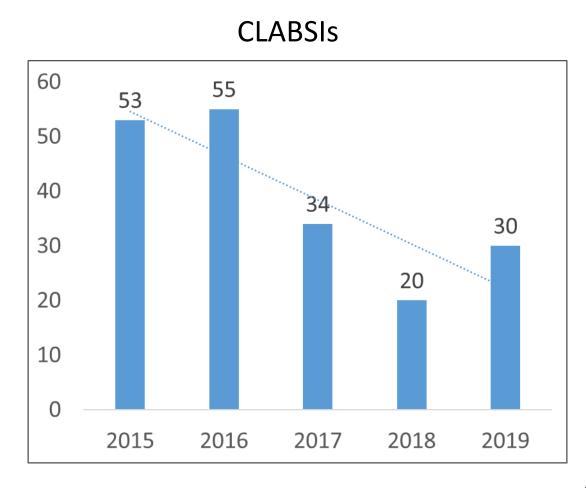

- Infection Control Plan
- Successes
- Works in progress
- What's in store for 2020

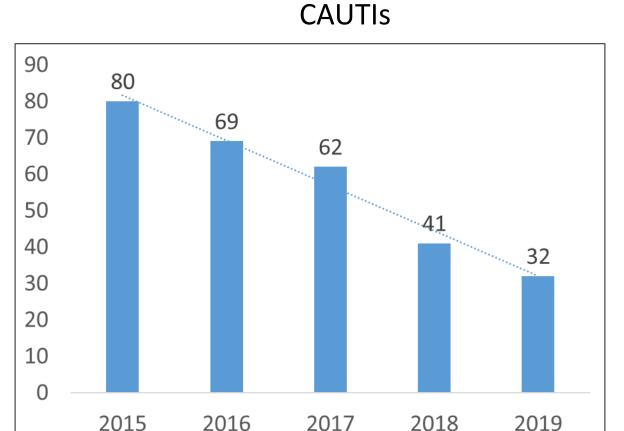

Infection Control Plan

Rank	Infection Control Priorities for 2020
1	Hand Hygiene
2	Hospital Onset (HO) C. difficile
3	Antibiotic Resistant Organisms (CRE, VRE, ESBL/MDRO, MRSA)
4	Catheter-Associated Urinary Tract Infection (CAUTI)
5	Surgical Site Infection (SSI)
6	Cleaning & Disinfection of Patient Care Areas/Equipment
7	Isolation & Personal Protective Equipment Practices
8	High-level disinfection
9	Central Line-Associated Blood Stream Infection (CLABSIs)
10	Ventilator Associated Event/Pneumonia (VAE/VAP)
11	Blood and Body Fluid + Communicable Disease Exposures

Successes

Central Line and Urinary Catheter Infection Trends at UNMH, 2015 - 2019

Highly Infectious Diseases (HID) Preparedness

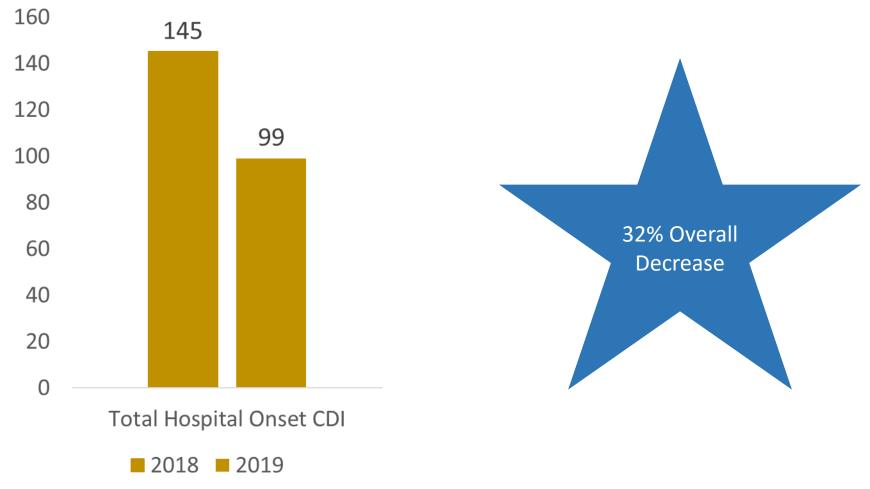

- UNMH continues to be a regional assessment hospital for potential HID patients
- Focus has changed from only Ebola to include more highly infectious diseases
- MICU now has an HID team!
 - Education and hands on scenario based trainings occur every six months
- UNMH Infection Control co-chairs the ARCH-P HID Regional Subcommittee with Presbyterian Infection Control

Other Successes

- High level disinfection removal of Cidex
- Improved data management and automation of processes for reporting

Works in Progress

C. Diff Comparison 2018 vs 2019

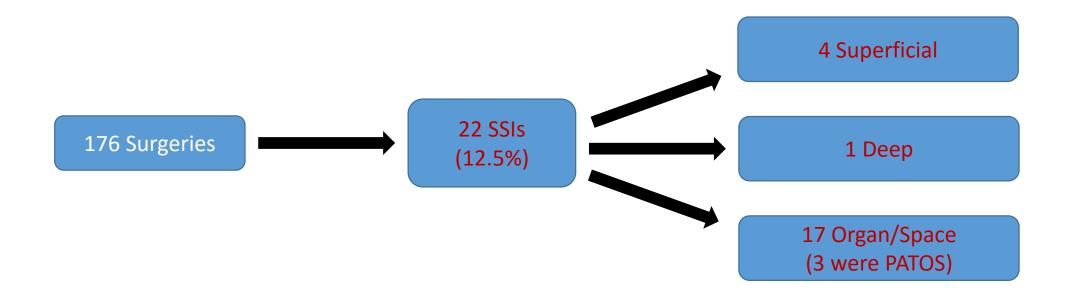

Cleaning, Disinfection, and Sterilization

- Handling and transport of contaminated equipment
 - Standardizing inpatient/outpatient processes
- Cleaning of patient care equipment and the environment

Storage and labeling of clean and dirty equipment

Colorectal Surgery SSI Rates, Jan – Nov 2019

What's in Store for 2020?

- Reduce healthcare associated infections via multidisciplinary work group efforts
- Improve surveillance and response related to antibiotic resistant organisms
- Reduce communicable infection exposures and streamline process for healthcare workers & medical staff
- Drive processes that reduce infections no matter the pathogen
 - Address patients with infectious syndromes
 - Hand hygiene
 - Cleaning/disinfection of patient care areas

Collaborations with UNMH

- Crisis and Support Services on CARE Campus
- Transition Planning-Resource Reentry Program
- Community Connections
- ACEs Programs

Crisis and Support Services on CARE Campus

- Expand existing programs to meet gaps in the crisis continuum and to further develop crisis triage services in Bernalillo County.
 - MOTU Clinic
 - Crisis Stabilization Unit
 - Milagro Program
 - \$20M MOU for CTC and Adult Psychiatric

Transition Planning Resource Re-entry Program

- The Resource Re-entry Center (RRC) is the first stop for individuals released from the Metropolitan Detention Center as they reintegrate into the community.
- Transition Planners work with inmates at the jail.
- Once inmates are released to the RRC, community health workers assists these individuals to carry out their transition plans and connect them to services.

Community Connections

- Re-entry and Frequent Utilizer Supportive Housing provides intensive case management linked with scattered site housing to a target population of homeless or precariously housed persons with mental illness or co-occurring disorders.
- The program provides high quality intensive wrap-around services and housing subsidies to support clients.

ACEs Programs

- ACEs providers support at risk children and their families across the full continuum of services including primary prevention, identification, early intervention, support and treatment, harm reduction, outreach, and services in children's homes and within the community.
- Target Population: youth aged zero through five and school-aged youth up to age 18 at risk for experiencing adverse childhood experiences.
 - UNM YCHC
 - UNM OCH

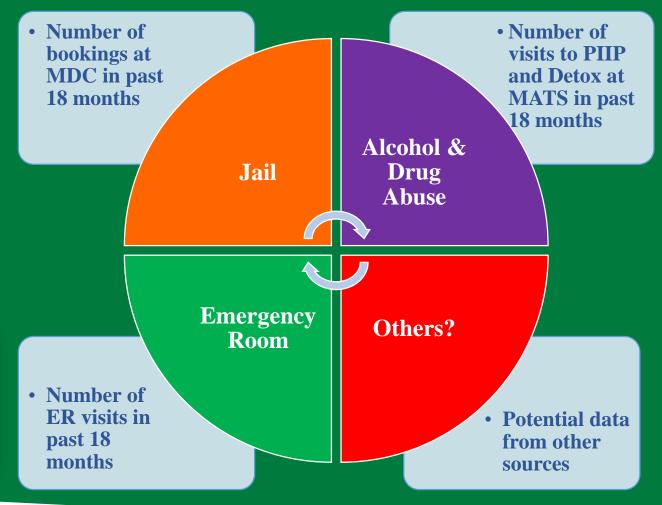

DBHS Frequent Utilizer Study

- Created to identify frequent clients of Bernalillo County services, specifically the Metropolitan Detention Center (MDC), the County's Public Inebriate Intervention Program (PIIP), its Social Model Detox and area hospital systems.
- April 2019-January 2020
- Consistently identified 230-250 individuals each month who had at least 2 bookings in MDC and used PIIP and Detox.
- County now able to offer more targeted services to these clients

Validation of tool

We created the initial list using just MDC, Detox and PIIP data. We then looked at PSU and Intake Screener scores

- In November 2019, 81% of the frequent utilizers were in the PAC unit in the past 18 months, and 30% were identified as having mental illness or as being suicidal
- Intake screener scores were performed by MDC on 219 of the 240 people on the list (91%). Of those, 51% had Risk scores of 6 to 8
- Between September 1 and November 30, 2019
 - 80% have been in custody at MDC
 - 25% were currently in custody at MDC
 - 43% have visited PIIP
 - 28% have been to Detox
 - 11% have touched Detox, PIIP and MDC

Estimated (conservative) Costs to City Hospitals

Hospital	ED Visits (July 1, 2018 – December 31, 2019)	Estimated Cost
UNMH (Main)	1802*	\$3,786,002
Presbyterian (Main)	1144*	\$2,403,544
Lovelace (Main)	634*	\$1,332,034
Total ED Visits	5231**	\$10,990,331***

*These are cost savings to only UNMH main, Presbyterian Main, and Lovelace Main (City-based)

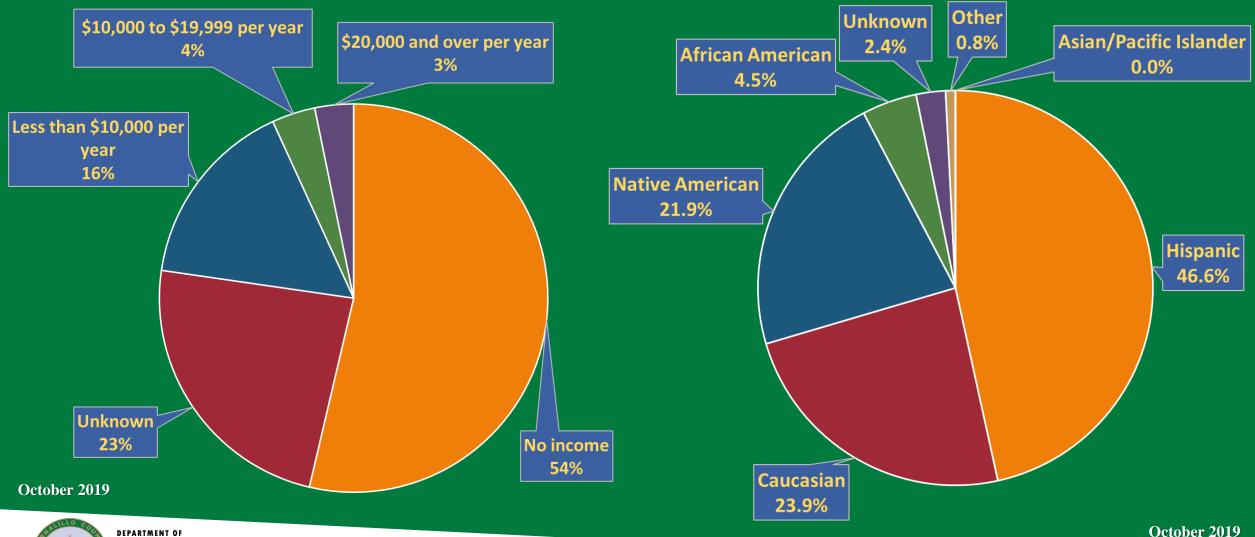

**All ED visits in state — Veterans Hospital not included in state data

***Estimated costs determined using multiplier of \$2,101 per visit as estimated by the Institute for Social Research at UNM

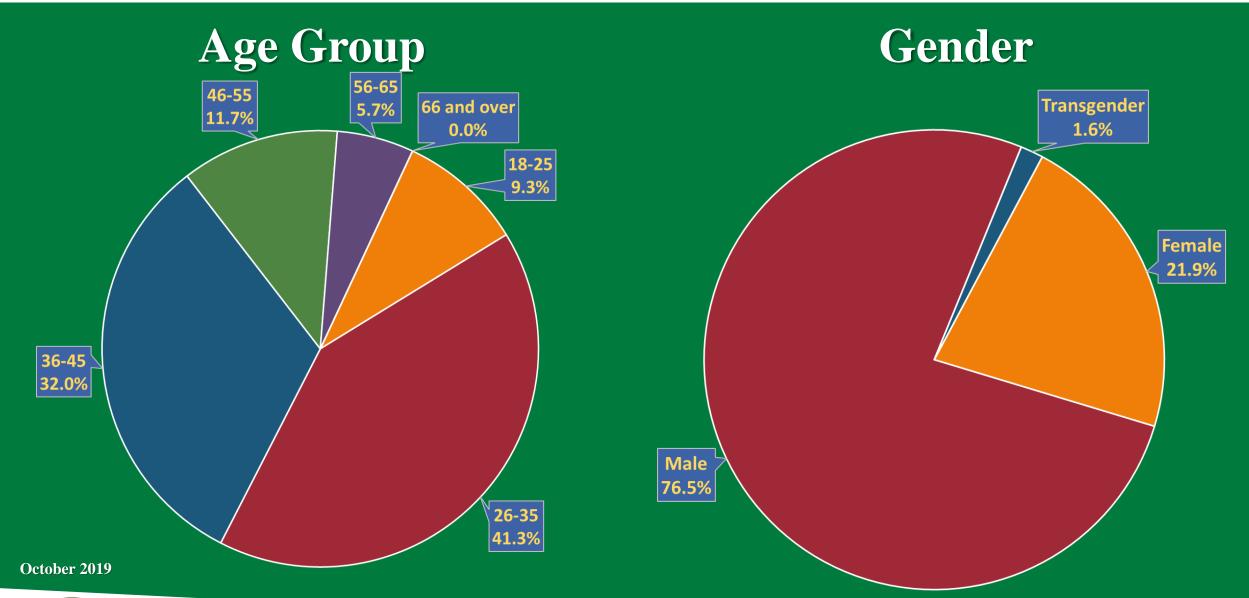

Income

Ethnic Makeup

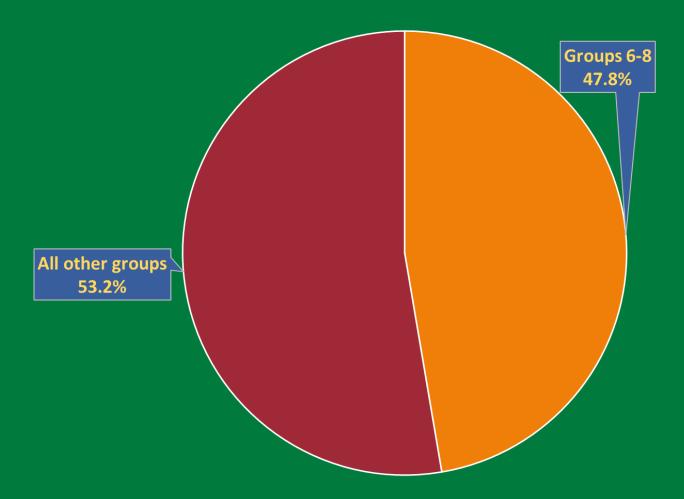

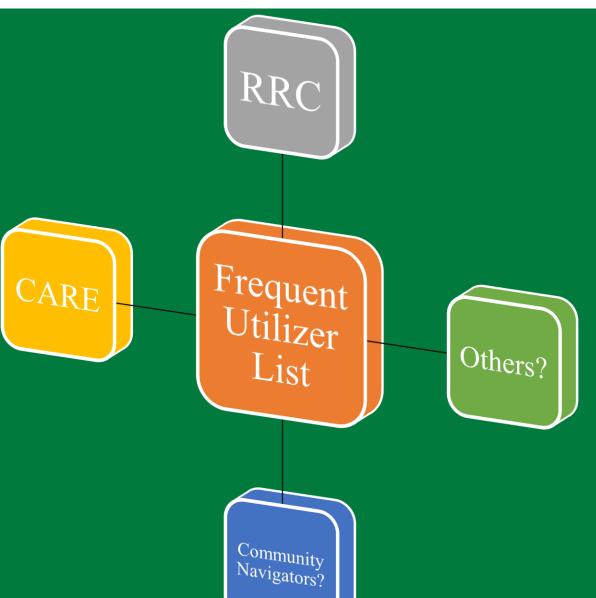

Risk Groups

We currently share the list with the RRC and with our CARE programs.

We are exploring other opportunities to use list to help clients

Going Forward

- We will continue to get emergency room touches from the Department of Health to include in our index
- We will also explore other uses of the list to help clients.
- Bernalillo County and UNM Health Sciences Center continue to work together to address the gaps in the behavioral health crisis continuum Crisis Triage Center; an Adult Psychiatric Replacement Hospital
- Other

Purchasing Process Overview BOT Jan 2020 BWhite

UNM HOSPITALS
PURCHASING PROCESS OVERVIEW

Purchasing Process

UNM Hospital's purchase of goods and services is governed by Hospital Policy and the New Mexico Procurement Code.

- Includes purchases of medical supplies, pharmaceuticals, purchased services, consulting services, construction, renovations, equipment, etc.
- The Procurement Code does not apply to anything which is neither a good nor service.

Ethical standards govern all purchasing transactions. Code of Conduct and Conflicts of interest policies apply. RFP team members/scorers sign a conflict of interest form. If you or a family member have an interest in doing business with a particular vendor, you must disclose that interest, and cannot participate in the procurement process relating to that vendor.

The purpose of the Procurement Code is to provide for the fair and equitable treatment of all persons involved in public procurement, to maximize the purchasing value of public funds and to provide safeguards for maintaining a procurement system of quality and integrity (13-1-29 NMSA).

Purchasing Processes

Under 13-1-102 NMSA, all Purchasing shall be by Invitation for Bid ("IFB"), <u>except</u> purchases achieved through:

- Competitive Sealed Proposal or "RFP"
- Sole Source purchase
- Existing contracts
- Emergency purchase (not common)
- Existing contracts
- Small purchases \$20,000 or less. Note: Purchases >\$20,000 to \$60,000 may be made with 3 quotes or 1 quote + UNMH Purchasing's single source certification).

Cooperative Procurement/Governmental Purchases - the Procurement Code allows procurement from Group Purchasing Organizations from other governmental entities

Exemptions - The Procurement code provides for a number of exemptions, including the hospital and health care exemption as well as the general exemptions.

Invitation for Bid

Invitations for Bid – used to initiate a competitive sealed bid of services, construction and items of tangible personal property where the proposed procurement can be 100% identified through specifications

Specifications are detailed descriptions or a listing of the characteristics of a desired item/service, including, but not limited to brand, design specifications, performance specifications or blueprint drawings. Specification will:

- Increase the likelihood that the purchase of the goods or services meets the requirements of the end user
- Clearly communicate to all interested parties complete requirements and expectations
- Ensure that all vendors are quoting to the same baseline and specifically address the products and/or services requested.

IFB must be advertised in a local publication and UNMH Purchasing website for no less than ten (10) calendar days

Award is made to the lowest bidder who meets the specifications

Request for Proposal

Request for Proposal (RFP) - a competitive sealed proposal process that may use <u>qualitative data</u>, such as system fit or vendor experience, as evaluation criteria to distinguish among proposers

- RFP Scope of Work (SOW) -A description/specifications of an item or service that will convey an accurate picture of what is being requested such as brand, design specifications, performance, blueprint drawings, roles and responsibilities of both parties.
 - Allows an Offeror to tailor its proposal to meet UNMH needs,
 - Assist the RFP team with understanding UNMH needs as well as the subject matter of the procurement, which increases the likelihood that UNMH will select the Offeror with the best product/service fit for UNMH.
 - Will clearly communicate to all interested parties complete requirements and expectations
 - Helps to bring all Offerors towards the same baseline and specifically address the products and/or services requested
- Evaluation Criteria Examples of criteria include:
 - Business reputation and references
 - Experience of the Offeror (has worked for other academic medical centers)
 - Ability of the Offeror's Solution to meet UNMH's needs
 - Qualifications of personnel/team to be assigned to the UNMH project
 - Price

RFP evaluation may include demos and reference checks

RFP must be advertised in a local publication and UNMH Purchasing website for no less than ten (10) calendar days

Group Purchasing Organizations/Cooperative Procurement

NM Procurement Code allows use of group purchasing organizations

- NMSA 13-1-135 which allows "cooperative procurement" or
- NMSA 13-1-98.1A which is referred to as the health care exemption

The idea behind group purchasing is that the "RFP" or "bid" was done by the GPO

GPO's contracted vendors have agreed to make certain pricing available to GPO members

UNMH is a member of the following group purchasing organizations:

 Vizient, US Communities, HGAC Buy cooperative program, Sourcewell f/k/a National Joint Powers Alliance or NJPA, Hospital Services Corporation (subsidiary of NM Hospital Association), Cooperative Educational Services.

Group Purchasing/Cooperative Procurement

Vizient

- Vizient is the health care industry's leading supply contracting company
- Vizient facilitates about \$100B in annual spend relating to 600,000 member hospital beds.
- Vizient develops and manages competitive contracts with hundreds and hundreds of suppliers.
- Vizient provides an array of support services designed to maximize awarded suppliers' success. The goal is the shared objective of providing the right products at the right price.
- In FY 2019, UNMH made purchase through Vizient of approximately \$130,000,000.

Procurement Under Existing Contracts

Price Agreements - Procurement code allows use of existing governmental contracts, such as State of NM contracts (State Purchasing Division), UNM Main Campus contracts, or Federal "GSA" contracts (Government Services Administration)

The Procurement Code requirements for procurement under an existing agreement are as follows:

- GSA at a price equal to or less than contractor's current federal supply contract price (GSA), providing contractor has indicated in writing a willingness to extend pricing, terms and conditions to UNMH
- State/Other contracts for items, services or construction meeting the same standards and specifications as the items to be procured if:
 - Quantity purchased does not exceed the quantity which may be purchased under the applicable agreement, and
 - Purchase order adequately identifies the price agreement relied upon

Sole Source/Single Source

Sole Source procurement is procurement without Bid greater than \$60,000 from a vendor who is the sole source for the required good or service.

Examples of UNMH's use of Sole Source

- Standardized to a specific good (or medical device)
- Equipment item which must be maintained by a certain vendor
- Renew of support contract for systems, such as Cerner or Lawson
- Expansion of a system, initially installed at great cost

Purchases may qualify for Sole Source procurement if

- There is only one source for the required service, construction or item of tangible personal property;
- The service, construction or item of tangible personal property is unique and this uniqueness is substantially related to the intended purpose of the contract; and
- Other similar services, construction, or items of tangible personal property cannot meet the intended purpose of the contract
- Items do not qualify for Sole Source if the items are available through distributors, unless one distributor has sole distribution rights where the hospital is located
- Sole Source procurement must be approved by the Purchasing Director, who must conduct a good-faith review of available sources to confirm that there is only one source for the goods and services

Sole Source/Single Source

Notice of intent to award (UNMH's "sole source form") must be posted on the UNM "sunshine portal" and the State "sunshine portal" thirty (30) days prior to the purchase.

The Notice of award/sole Source Form includes information such as

- Parties to the proposed contract
- Nature and quantity of the service, construction or item of tangible personal property being contracted for
- Contract amount,
- Explanation of why the procurement qualifies as a sole source.

Qualified potential contractors not awarded a sole source contract may protest to the purchasing agent.

Single Source - UNMH Policy requires 3 quotes for purchases of >\$20,000 through \$60,000, unless the purchase qualifies for what UNMH calls "single source" - there is only one source for the required good or service. The purchase must include a completed single source form, which may be completed by the requesting department or by purchasing.

Procurement from other Governmental Entity

UNMH may do business with / purchase from other governmental units without RFP/Bid, etc.:

- From a New Mexico State agency
- City/County....

Exemptions

"Exemptions" to the Procurement code mean that the Procurement Code does not apply to the identified procurement.

General Exemptions - include utilities, books & periodicals from copyright holders, travel, shipping, meals, lodging, procurement from municipalities, art, advertising, etc. NMSA 13-1-98.

Health Care Exemption -

- Allows extensive procurement programs with GPOs such as Vizient. NMSA 13-1-98.1.A.
- Allows direct procurement of goods and services (without bid or RFP) for the purpose
 of creating a network of healthcare providers or jointly operating a common healthcare
 service, if Purchasing determines that the arrangement will or is likely to reduce health
 care costs, improve quality of care or improve access to care. NMSA 13-1-98.1B.

Emergency Purchases

Emergency Purchases may be made when there exists a threat to public health, welfare, safety or property requiring procurement under emergency conditions. Emergency Procurement is a rare event for UNMH.

• The NM Procurement Code requires that emergency procurements shall be made with competition as is practicable under the circumstances.

Emergency conditions include, but are not limited to, floods, fires, epidemics, riots, acts of terrorism, equipment failures or similar events and includes planning and preparing for an emergency response.

The Purchasing Director shall use due diligence in determining, in writing, the basis for the emergency procurement and for the selection of the particular contractor.

Within 3 days of awarding an emergency procurement contract, the Purchasing Director shall report to the legislative finance committee and post on the sunshine portal:

- Contractor's name and address
- Amount and term of the contract
- A listing of the services, construction or items of tangible personal property procured
- Whether the contract was a sole source or emergency procurement
- The justification for the procurement method

Penalties for Violating Procurement Code

Any business or person that willfully violates the Procurement Code is guilty of:

- A misdemeanor if the transaction involves \$50,000 or less
- A fourth degree felony if the transaction involves more than \$50,000

UNMH Board of Trustees 1.31.20 Roth Report

UNM Hospital Board of Trustees Monthly Report January 31, 2020

We are pleased to announce that the **UNM Clinical & Translational Science Center** (CTSC) will be re-funded for another five years, until 2025. UNM has won renewal of its \$22 million Clinical and Translational Science Award from the National Institutes of Health, plus supplemental opportunities worth more than \$20 million and pilot funding of \$5 million. The CTSC's vision is to catalyze scientific discovery into improved health by enabling high-quality health care research locally, regionally and nationally. Since 2010, the CTSC has grown the UNM Health Sciences research mission, mentored junior faculty to success, developed new educational and training programs and launched community collaborations throughout New Mexico.

We are rounding the corner to the close of week two of our **30-day Legislative session**. We are following some bills specific to the University Hospital, particularly around behavioral health issues, and working closely with Kate on these issues. The House Appropriations and Finance Committee and Senate Finance Committee both met this week on higher education. On UNM Day, our BA/MD students did a wonderful job promoting the N.M. Health Equity scholarships and BA/MD program. Pharmacy students were there to witness the recognition of one of their own, Miel Johnson, an outstanding young woman, on the floor of the House and Senate. They also provided screenings to many people in the Roundhouse. Similarly, Dr. Aimee Smidt was there with some of her faculty and School of Medicine students conducting skin health screenings. Finally, huge congrats to Dean Tracie Collins, who was also recognized on the floor of the House and Senate for her scholarly and leadership contributions. Several bills we are supporting, including the Pharmacist Clinician Act (passed), and the Occupational Licensing Act (being heard this afternoon), were heard in front of committees this week.

February 2020 HS Report for BoT ABBREVIATED

MEMORANDUM

To: UNM Regent Health Sciences Center Committee

From: Mike Richards, MD

Vice Chancellor, UNM Health System

Date: February 11, 2020

Subject: Monthly Health System Activity Update

This report represents unaudited year to date December 2019 activity and is compared to audited year to date December 2018 activity.

Activity Levels: Health System total inpatient discharges and observation discharges are up 3% as compared to prior year.

Health System total inpatient discharges are up 2% compared to prior year, with discharges are up 3% at UNMH and down 7% at SRMC. Health System adult length of stay (without obstetrics) is up 3% compared to prior year, with length of up 3% at UNMH and down 6% SRMC.

Health System observation discharges are up 6% compared to prior year, with observation discharges up 2% at UNMH and up 29% at SRMC.

Case Mix Index (CMI) is up 4% compared to prior year and up 4% compared to FY 20 budget.

Births are up 1% year over year and up 2% to budget.

Health System total outpatient activity is 5% higher compared to prior year. Primary care clinic visits are up 3% compared to prior year. Specialty and Other clinic visits are up 5% compared to prior year. Emergency visits are up 3% than prior year.

Surgeries overall are up 2% year over year. UNM Docs up 2% and community physician surgical volume are up 7%.

Medical Group RVUs are up 6% over prior year.

Finances: Health System had total year-to-date operating revenue of \$742.2 million, representing a 15% increase over prior year. Total non-operating revenue was \$100.6 million, representing a 80% increase (\$44.8 million) over prior year. Total operating expenses were \$790.9 million, representing a 14% increase over prior year. Health System margin was \$51.9 million as compared to \$4.1 million prior year.

The balance sheet is stable with a current ratio of 1.93 as compared to 2.11 prior year. The cash and cash equivalents for UNM Health System is \$320.3 million as compared to \$246.3 million prior year. Net patient receivables are up 1% and total assets are up 12%. Total liabilities are up 14% over prior year. Total net position is up 10% over prior year.

CEO Board Report January 2020 (002)

MEMORANDUM

To: Board of Trustees

From: Kate Becker

Chief Executive Officer

Date: January 31, 2020

Subject: UNMH Monthly Activity Update

The Hospital has been involved in a variety of activities and this report will focus on operations through December 2019.

Finance: Inpatient volume, for both adult and pediatrics, exceeded budget by 5% for the month of December and is 3% over budget year to date. Observation days are running higher than budget by 12% year to date. Inpatient discharges are 5% lower than budget year to date but are 3% higher compared to prior year. Outpatient clinic visits are 2% better than budget for the month of December and 1% better than budget for the year. Emergency department arrivals are 4% better than budget for the month of December but are below year to date budget by 3%. Case mix index remains higher than prior year at 2.07 year to date and average length of stay is up 1.3% compared to prior year. Behavioral health patient days are flat to budget and behavioral health clinic visits are behind budget by 3% year to date. Net margin year to date is positive at \$46.4 million. Net patient revenues continue on a positive trend with employee compensation costs under budget. Medical supplies and purchased services are over budget. Nonoperating revenues include \$33.5 million recorded for capital appropriations received from the State.

Native American Liaison: Our Native American Health Services community liaisons conducted 12 outreach events during the month of November, and our quarterly report on referrals and admissions was sent to the IHS in December. The Native American Services committee met in November to debrief on the October consultation with Tribal and governmental leaders. December and January are typically low outreach months due to traditional ceremony and the selection of new tribal officials. Three Pueblos have new governors for 2020: Cochiti, Taos and Zia. The remaining Pueblos have governors returning this year. We will use this information to prepare for our Spring Consultation with the All Pueblo Council of Governors. January's NAS committee meeting was canceled due to unavailability of the majority of board members.

Bernalillo County: UNMH and Bernalillo County are completing a new Intergovernmental agreement that will lay the foundations for work going forward. The agreement has three major sections with the first being the completion of the Behavioral Health needs analysis by Sg2 consulting. The Final report will be out this month and UNMH will coordinate with the County and Indian Health Services to review the final recommendations from this report. The second section involves planning around a new permanent Crisis Triage Center and Adult Behavioral Health Hospital at a location to be determined based on the work of the HSC Master Facility Plan. The planning process would move forward based on obtaining approvals from UNMHSC Administration, UNMH Board of Trustee and the Board of Regents. The third section involves a commitment to continue to work together on ongoing program development based on identified needs and financial sustainability.

Program development work continues on the CARE Campus (MATS) with the first patients admitted to the Crisis Stabilization unit in December and ongoing work to initiate Medication Assisted Treatment on the Campus.

If there are any questions on this or other matters, please feel free to contact me.

CMO BOT Update January 2020v2 FINAL

Date: January 31, 2020

To: UNMH Board of Trustees

From: Irene Agostini, MD

UNMH Chief Medical Officer

Subject: Monthly Medical Staff and Hospital Activity Update

The CMO Board report will now have more clinical content related to physicians and clinical care. The four areas that are highlighted today are part of our journey to provide safe and compassionate care to our patients while engaging our caregivers. I will continue to provide updates on these four areas and add more as appropriate.

TigerConnect Success

The UNM Health System has been using TigerConnect (which is a secure, HIPAA-compliant, text messaging system) throughout the institution since September with excellent adoption. There are even some specialty groups in Pediatrics communicating with TigerConnect institutions in other states using the multi-org. feature. We are also 90% done with conversion of AMION (our call schedule) to TigerConnect Roles. Currently, the organization is sending more than 300,000 messages a week and growing by about 20k messages weekly. In the month of December alone, more than 1.1 million messages were sent!

Delinquent Documentation Project Update

Last fall, the Medical Staff Leadership and Health Information Management teams identified a process to help prevent incomplete documentation in the inpatient setting. This process was needed to promote accountability amongst our medical staff as well as help us comply with regulatory requirements and laws (e.g. Centers for Medicare and Medicaid Services). This process has helped us provide the right tools so our medical staff can be successful in completing their records!

- For the past three weeks, lists of pending documentation/delinquent clinicians are sent to all Department Chairs every Tuesday and they are responsible for notifying their team members.
- The process involves removal of Cerner (our health information system) access for clinicians who do not complete their documentation in the specified time frame. **HIM has not had to remove anyone's access at this point!**

Multi-disciplinary Rounds (MDR)

More than a year ago, a need was identified to collaboratively discuss patient discharge planning across disciplines. Currently, there are more than 30 MDR's conducted daily at UNMH, which has enhanced patient care and collaboration across various units/departments.

- Most notably, Internal Medicine and Trauma have collaborated on framework designed to address patient needs in clinical and logistical readiness along with estimated dates of discharge (EDD). EDD discussions are essential in MDR's and help track avoidable days if a patient's stay is longer than expected.
- Team members present in MDR's include providers (Advanced Practice Providers or MD's), bedside RN, RN supervisor, RN case manager, social worker, pharmacy, and physical/occupational therapy.

LoboWings Training

We are now doing a LoboWings refresher for all of our procedural areas to improve patient care and safety. We will provide another round of trainings for more than 700 physicians, APPs' and staff in the surgical areas over the next three months.

- Developed and instituted over a decade ago, LoboWings is a crew resource management system used at the Health Sciences Center to improve safety and reliability of health care delivery, especially in procedurally rich areas such as the operating suite and labor and delivery.
- The ultimate goal of LoboWings is for no patient to be harmed in the course of their care, and for employees to be highly engaged in their workplace regardless of the conditions or complexity modern healthcare provides.

Y Finance Summary 1.29.20

UNM HOSPITAL BOARD OF TRUSTEES

Finance Committee Meeting

Wednesday, November 20, 2019 10:00 AM UNM Hospitals Administration, CEO Conference Room

Objectives

Provide financial and human resources oversight of UNM Hospitals.

Finance Committee Meeting:

- Approval of November 20, 2019 meeting minutes
- Disposition of Assets, Consent Items, Repair, Renew, Replace Consent Items
 - Disposition of Assets
 - Retirement Plan Amendment for Predecessor Employer Service
 - Consent Item Perfusion and ECMO Services and Supplies CCS Perfusion Services \$2.5M/yr
 - Repair, Renew, Replace New Hospital Tower and New Parking Structure Project Commissioning Services \$1,662,000
- New Hospital Tower Project Status Report
- Huron OP Engagement
- UNMH Bernalillo County MOU Update
- Financial Update for the six months ended December 31, 2019
- HR Updates no updates provided

Next UNM Hospital Finance Committee meeting is scheduled to convene February 26, 2020.

Y Audit and Compliance Summary 1.29.20

UNM HOSPITAL BOARD OF TRUSTEES

Audit and Compliance Committee Meeting

Wednesday, January 29, 2020 2:00 p.m. UNM Hospitals Administration, Large Conference Room

Objectives

• Provide audit and compliance oversight of UNM Hospitals.

Finance Committee Meeting:

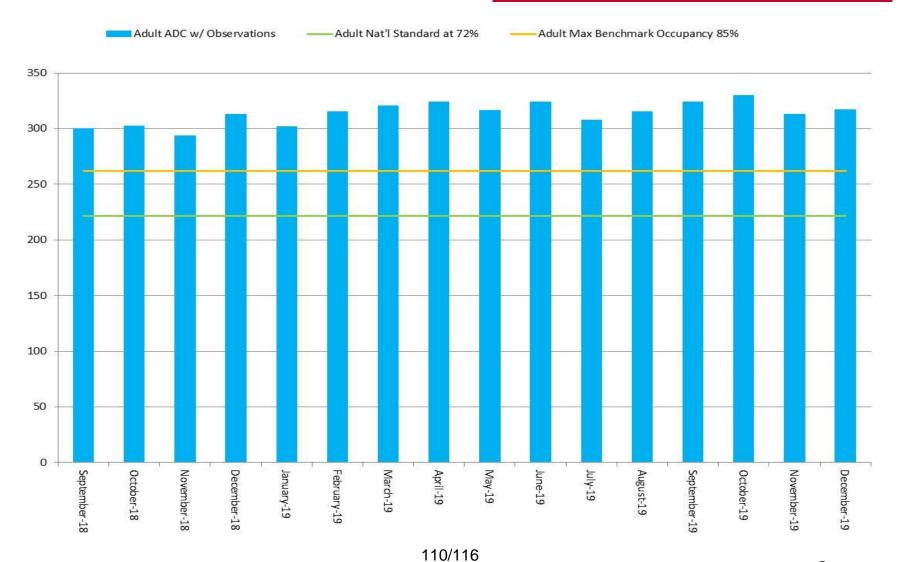

- Approval of November 25, 2019 meeting minutes
- Review of annual Audit and Compliance calendar
- Compliance:
 - o Introduction of new Executive Director of Compliance, Angela Vigil
- Follow-up New Committee Members Orientation
- IT Presentation
- Internal Audit:
 - o Internal Audit Structure
 - Work Plan
 - o 2020-01 D-H
 - o Risk Assessment
 - o Follow-up Audits

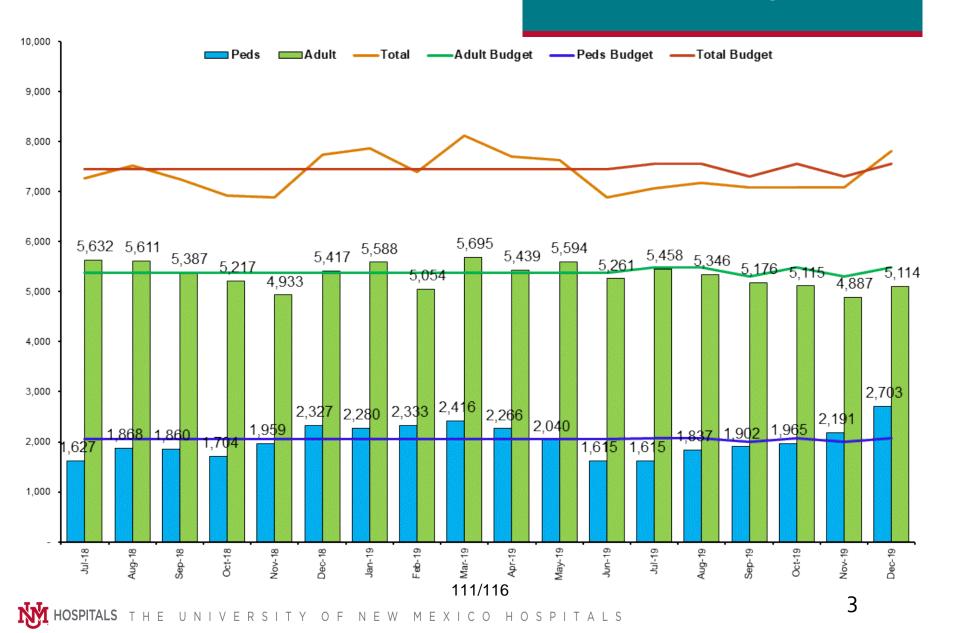

Next UNM Hospital Audit and Compliance Committee meeting is scheduled to convene April 22, 2020.

^{*} CMI Adjusted Patient Days (Adjusted Patient Days X CMI) is to account for the outpatient activities in the hospital and the relative acuity of the patients. CMI is a relative value assigned to a diagnosis-related group. Adjusted patient days (Patient Days X (Gross Patient Revenue/Gross Inpatient Revenue)) is to account for outpatient and other non-inpatient activities in the Hospital. Action OI benchmark is a quarterly report and for Apr - June 2019 the 50th percentile is 163,662. The metric above divided by three months for comparative purposes.

^{**} Operating expenses exclude Contract Retail Pharmacy Expense

^{***} Operating expenses exclude Contract Retail Pharmacy & HS Exec Initiatives
